

Guest Accommodation

We have adopted the principle, **'your bedroom is your bubble'** for your stay. This is to protect you and our colleagues.

What does it involve?

We carry out enhanced cleaning when a guest bedroom is vacated, using commercial grade cleaning products. The room is then signed off and secured for your arrival. If you are staying longer than one night, you are given the option at check-in of not having your room serviced during your stay; having a towel service only; or having a full service.

If there is a maintenance issue in your room, we will ask you to leave the room whilst we deal with it. These measures will minimise or avoid staff intrusions into your accommodation 'bubble'.

What's different?

To minimise risk we have removed guest directories and non-essential soft furnishings from guest rooms.

Hand Sanitiser Points

Are located at the reception and tea room/ bistro entrances, reception desk, all lift lobbies and at the entrances to all dining areas. Please use frequently and freely.

Face Coverings

Guests **are required** to wear face coverings when moving around communal areas inside the Hotel. There is no need to wear face coverings in your room or when seated at reception or in a dining area. If you haven't brought your own, disposable masks are available from Reception.

Single use flyer – please dispose of this carefully

Welcome to Magherabuoy House

(effective 24 May 2021)

As a result of the Covid-19 pandemic, and in the interests of your safety as well as that of our colleagues and wider society, we have made changes to how we do things and to some of the services we provide. Many adjustments are based on government regulations which we are obliged to adhere to, as are our customers. This guide is intended to help you understand your responsibilities when staying at or visiting the Hotel.

You will see Perspex screens as well as social distancing wall signage and floor markings around the Hotel. Cleaning activities have been enhanced and staff are wearing PPE. We hope the measures we have taken won't impose too much on your enjoyment of your stay, but as we want to protect health and wellbeing we ask for your understanding and patience with our staff as they work within this challenging and ever-changing environment.

If you have any concerns or questions please ask a member of our team and they will be glad to help, or visit our website using the QR code and the camera on your smartphone.

If you need to contact Reception during your stay, dial **710** from your bedroom phone
